<b>Group 3</b>	<b>one of</b>	Grade 11 or 12 Science or grade 9-12 Technology, or Cooperative Education		
<b>Other Pathways to Apprenticeship</b>				
1. Networking	If you have an employer willing to sign you for an apprenticeship, we may be able to save you a registration fee and help your employer access funding to help reduce the cost of training. <b>See your Guidance counsellor or Co-op teacher and ask for a pre-registration form.</b>			
2. Co-op	Exploratory Co-op is possible in grade 11, However Co-op is recommended after the 4 credit Auto Body <b>Concentrated OYAP offered in the first semester of grade 12 or in year 5.</b> As an alternative to concentrated OYAP students may take a 4 Credit OYAP Co-op in Grade 12.			
3. College	Niagara and Mohawk College offered auto body pre-apprenticeship programs. In 2004/05 check Their web sites and continuing ed web sites.			
4. Recommended Pathway " <b>Concentrated OYAP</b> "	<b>Concentrated OYAP</b> is similar to the one-year fundamentals certificate program at college. Concentrated OYAP prepares you for academic success in the apprenticeship courses offered at College.  Concentrated OYAP teachers will also assist you in finding a co-op placement that has the potential to become an apprenticeship.			
PLEASE NOTE:	Students planning to pursue University or college in addition to apprenticeship must check entrance requirements for each university or college program individually.  See your Guidance counsellor.			
	To connect directly to the college guide (check <a href="http://www.ontariocolleges.ca/pdf/college_guide.pdf">http://www.ontariocolleges.ca/pdf/college_guide.pdf</a> ).
