<b>Group 3</b>	<b>one of</b>	Grade 11 or 12 Science or grade 9-12 Technology		
<b>Other Pathways to Apprenticeship</b>				
1. Networking	If you have an employer willing to sign you for an apprenticeship, we may be able save you a registration fee and help your employer access funding to help reduce the cost of training. <b>See your Guidance counsellor or Co-op teacher and ask for a pre-registration form.</b>			
2. Co-op	Exploratory Co-op possible in grade 11, <b>Concentrated OYAP + Summer OYAP Co-op for a total of 6 Credits in the last semester of grade 12 @ GDHS.</b> As an alternative to concentrated OYAP students may take a 4 Credit OYAP Co-op in Grade 12			
3. Colleges	Mohawk College has a 1 year Certificate program designed to help you get an apprenticeship "Industrial Woodworking Techniques" (check <a href="http://www.ontariocolleges.ca">www.ontariocolleges.ca</a> ) Conestoga also has a 2 year programs which can prepare you for the apprenticeship see "Woodworking Technician" ( <a href="http://www.ontariocolleges.ca">www.ontariocolleges.ca</a> )			
6. Recommended Pathway "Concentrated OYAP"	<b>Concentrated OYAP</b> is similar to the one-year certificate Techniques program at college. Concentrated OYAP prepares you for academic success in the apprenticeship courses offered at College. Concentrated OYAP teachers will also assist you in finding a co-op placement that has the potential to become an apprenticeship.			
PLEASE NOTE:	Students planning to pursue University or college in addition to apprenticeship must check entrance requirements for each university or college program individually. See your Guidance counsellor.
