Group 2	one of	Physical Education, Music, Art, Drama, Dance or Business/Entrepreneurial Studies or Cooperative Education			
Group 3	one of	Grade 11 or 12 Science or grade 9-12 Technology or Cooperative Education			
Other Pathways to Apprenticeship					
1. Networking	If you have an employer willing to sign you for an apprenticeship, we may be able save you a registration fee and help your employer access funding to help reduce the cost of training. See your Guidance counsellor or Co-op teacher for details.				
2. Co-op	Exploratory Co-op possible in grade 11. However C-op is also a part of the Concentrated OYAP program offered in Grade 11, 12 or 12+, or a 4 Credit OYAP Co-op could be an alternative to Concentrated OYAP.				
3. College	Sault, St. Lawrence and St Clair Colleges offer 1 year pre-apprenticeship programs check (check http://www.ontariocolleges.ca/pdf/college_guide.pdf). Cost approximately \$ 3000				
4. Pre-apprenticeship Prog.	Oakville College offers a pre-apprenticeship Certificate program. Check (www.oakvillecolleges.com) for full details. Cost approximately \$ 6000				
5. Recommended Pathway “ Concentrated OYAP ”	Concentrated OYAP is similar to the one-year certificate program at the colleges above. Concentrated OYAP prepares you for academic success in the apprenticeship courses offered at College, in addition students may earn an exemption from both levels of Apprenticeship Training at College. Concentrated OYAP teachers will also assist you in finding a co-op placement that has the potential to become an apprenticeship.				
PLEASE NOTE:	Students planning to pursue University or college in addition to apprenticeship must check entrance requirements for each university or college program individually. See your Guidance counsellor.
