

Transportation Concentrated OYAP Pathways

For a detailed Pathway Planner see www.schooltocareer/oyap/pathway.shtml

Please note: Any students wanting to pursue College, University or for those that wish to combine either College or University with an Apprenticeship, must take the appropriate admission required University, University/College or College destination pre-requisite courses.

What is an Apprenticeship?

Apprenticeship is a form of post-secondary education in which students..

- will earn while they learn.
- will be taught one on one by a Certified Transportation person.
- will be sent to take apprenticeship courses at college.
- will have the government pay approximately 80% of the their tuition.
- will have the opportunity to turn a blue collar job into a "gold" collar career.

Why consider Concentrated OYAP?

In Concentrated OYAP, students ...

- may shorten their apprenticeship.
- may get their foot in the door with a potential employer.
- may complete their first level of in-school apprenticeship training.
- may save thousands of dollars on similar courses offered at colleges and private vocational training centres.
- may still attend College or University if they have the entrance requirements.

What other training will I receive?

In the Automotive Service Technician, Motorcycle Technician Concentrated OYAP students will have the opportunity to earn the following additional Certifications:

- Standard First Aid
- Adult CPR
- Young Worker Awareness
- WHMIS
- Please note Motorcycle, Small and Marine Engine Technician OYAP is offered at White Oaks Secondary School only.

What is Concentrated OYAP?

- **Transportation OYAP** is specifically designed to help secondary school students make a smooth transition directly into the post-secondary apprenticeship program.
- Concentrated OYAP allows secondary school students to begin **their post-secondary Automotive Service Technician, Motorcycle Technician, Small Engines, or Truck and Coach apprenticeship** while still in secondary school.
- Concentrated OYAP is also designed to help prepare students for academic success in the apprenticeship courses usually taught at college.
