TQAA

Trades Qualification Apprenticeship Act

- Regulates Construction sector only (some exceptions).
- Must be a minimum of 16 years old.
- Minimum of Grade 10 required (Grade 8 for Brick & Stone Mason, Cement Mason and Drywall Finisher & Plasterer).
- Training is 90% on-the-job and 10% in-school.
- The TQAA makes certain trades compulsory, meaning that only an apprentice or a certified journeyman may practice that trade.
- While students are earning cooperative education credits as part of OYAP they are exempt from this rule. However, if students are working outside the hours specified in their Work Education Agreements, they must be registered apprentices.
- Voluntary trades may be practised without registering as an apprentice.

ACA

Apprenticeship Certification Act

- Regulates Agricultural, Industrial, Motive Power & Service sectors.
- Must be a minimum of 16 years old.
- Minimum of Grade 12 required (Grade 10 for Assistant Cook Br.1, Autobody Repairer Br.2 and Construction Craft Worker).
- Training is 90% on-the-job and 10% in-school.
- Restricted trades have restricted skill sets which may be practised only by certified journeymen or registered apprentices.
- OYAP students may not perform any restricted skill set unless they become registered apprentices. If they do not register, their learning plans must not include any restricted skill sets.
- Unrestricted trades and skill sets may be practised without registering as an apprentice.

Agricultural Sector

Unrestricted Trade

- Dairy herdsman
- Fruit grower
- Horse groom
- Horse harnessmaker
- Swine herdsman

Note: The trades listed on this chart are currently either ACA or TQAA Director Approved Programs. Additional apprenticeships referred to as employer specific or modular apprenticeships are also available. For further information and apprentice registration contact your local Apprenticeship Office.
